ACRYLIC SHOWER & WALL PANELS

Our glass like acrylic wall panels are manufactured in our print production facility in Weston-super-Mare, North Somerset.

Made from 5mm thick clear acrylic which can be cut in-house to any size, images are high definition printed before being bonded behind the face of the acrylic creating a 100% waterproof, hygienic and easy to clean finish.

Our acrylic shower wall panels can be DIY cut to size and drilled as desired to allow for fixtures and fittings and are fixed in place using solvent-free silicone adhesive and sealant.

- Ultra high gloss finish
- Fit directly over existing tiles
- Cover larger areas with multiple panels
- Print from your high-resolution images or stock photography from Shutterstock and iStock

ROLLERBLINDS

Personalised roller blinds are the latest design trend for both home & commercial use.

What better way of personalisation than the ability for you to produce blinds with your own bespoke designs, photos, images or branding.

Printed onto blackout material as standard, fire rated and supplied with all parts ready for fitting.

- **Blackout fabric as standard**
- **Ideal for personalised, branded and bespoke blinds for commercial and domestic interiors**
- **Print from your high-resolution images or stock photography from Shutterstock and iStock**

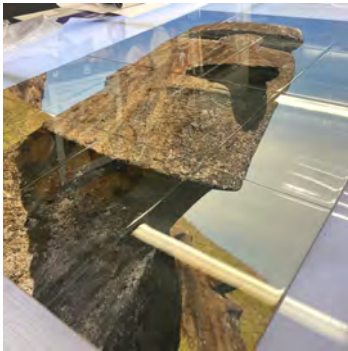

TILES

Create a statement & focal point and have tiles custom printed with your images!

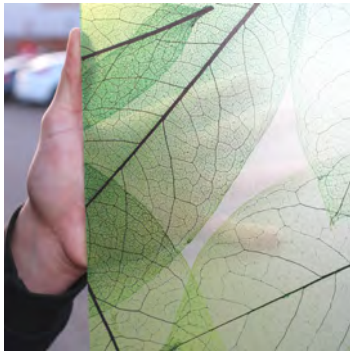

Available as a single decorative tile or create murals of any size and have your favourite photo printed across a whole kitchen splash back or bathroom!

Your photo is directly infused into the 5mm thick glossy ceramic tile using heat and pressure giving them razor-sharp definition, outstanding vibrancy, as well as being extremely durable and easy to clean.

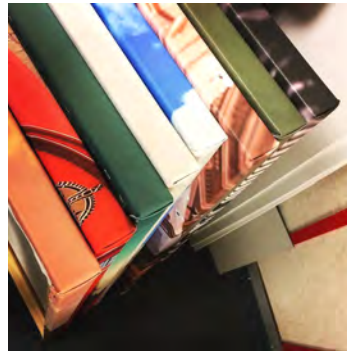

- **Sublimation printed coated ceramic tiles**
- **Available in 20cm x 20cm and 20cm x 30cm**
- **Install like any other tile**
- **Print from your high-resolution images or stock photography from Shutterstock and iStock**
